

READING:

Read your school home reading book 3 times each week
Write a book review about a favourite book. Ask your teacher for the book review sheet to use.

KS1

Home Learning Grid Spring 1

When you complete a challenge, upload a picture to class dojo or bring in your work.

For each challenge you complete, you can earn a home learning certificate.

This work can be done in any order and should be completed by Thursday 13th February.

MATHS:

Continue to use the White Rose one-minute app to practise your math skills.

HISTORY:

In History we are finding out about Amelia Earhart. Create your own fact file about her.
This QR code → might be very helpful.

Can you find out what her aeroplane looked like and draw a picture of it? You might need to make a Google search to find out!

SCIENCE:

In Science we are learning about micro-habitats. These are places you might find minibeasts such as ants, woodlice, centipedes. Investigate in your own garden and make a list of the different minibeasts you find and where you found them. Bring in your data to share in class.

CREATIVE ARTS:

This half-term we will be exploring the work of Claude Monet. Find out about one of his famous paintings and recreate it at home. You might decide to use paint, pencil crayons or even felt tips.

This QR code might be a helpful start.

PE:

This half-term we are learning to strike a ball. Practise striking a ball with your hand just like we've done in class. Send in a video of you trying this at home.

FRIDGE WORD CHAMPIONS:

Learn some of our Fridge words. Can you read them, spell them and define three different words?

PSHE:

Think about the different jobs people do. Draw a picture of you doing the job you might like to do when you are an adult.
