

READING:

Read your school home reading book 3 times each week – can you reach 50 reads before Christmas?

Write a book review about a favourite book. Ask your teacher for the book review sheet to use.

KS1

Home Learning Grid Autumn 2

When you complete a challenge, upload a picture to class dojo or bring in your work.

For each challenge you complete, you can earn a home learning certificate.

This work can be done in any order and should be completed by Thursday 19th December.

MATHS:

Complete the maths home learning activity uploaded to class dojo.

Continue to use White Rose one-minute app to practise your math skills.

GEOGRAPHY:

Draw a map of where you live. Include things like roads, shops, places of interest. Can you name the roads? Make sure you include your own house on the map!

SCIENCE:

Build your own weather station to record the weather. This QR link might help you decide what to build.

SCAN ME

CREATIVE ARTS:

This half-term we will be exploring Autumn and Winter. Visit the park, or in your own garden, make an autumn sculpture using natural materials. Send in a photo of what you make.

PE:

This half-term we are learning about dance. Create your own dance performance around the Jack and the Beanstalk story. Send in a video of your performance.

PSHE:

Think about how you could be a good friend to others. Make a poster to show others how to be a good friend.

FRIDGE WORD CHAMPIONS:

Learn some of our Fridge words. Can you read them, spell them and define three different words?
