

## History

In History this half term we will be exploring the Stone Age, looking closely at what life was like during that time period and how it changed as it progressed into the Iron Age.

## Art

In Art this half term we will be exploring the wonderful sculptures created by artist Barbara Hepworth. We will evaluate her work then create our own paper sculptures inspired by her creations.

## Maths

We will start our year looking at adding and then moving on to numbers up to 1000.

Times Tables are very important. Please practise these everyday using Times Table Rock Stars. There are Dojo points for the children who practise at home.

# The Roebuck Primary School Curriculum Overview - Autumn 1

## Sycamore Class

Welcome to your new class 😊! If you have any questions or concerns, please do not hesitate to get in touch via Class Dojo and we will get back to you as soon as possible. Miss Mortimer

## PSHE

The focus for this half term will be identifying our strengths and skills. We will learn how to set goals for ourselves and how to cope with setbacks.

## English

In our English lessons, we will explore the story 'The Treasures of the Loch Ness Monster'. We will explore the beautiful illustrations within the text inferring the characters thoughts and feelings, before writing our own version of it. After this, we will move into non-fiction writing creating a newspaper report based on a sighting of the Loch Ness monster.

**Spelling** - Spelling tests are every Friday. Please support your child to learn them at home. Spelling is essential to children's learning and many children struggle with their spelling. Learning them at home by copying them out or using spelling frame makes a **HUGE** difference.

Homework - Children can complete the tasks in any order and either place their sheets in the homework basket when they have completed a task or upload to Class Dojo.

**Reading books** need to be brought back in to school every day. Make sure you are *reading at home at least 3 times per week*.

## PE

This half term our PE sessions take place on **Tuesday** mornings. Full PE kits should be worn all day on this day. That includes the red PE t-shirt, black shorts and jogging bottoms, school jumper and pumps or black trainers.

## Computing

We will learn how to Touch-type using a range of different games and challenges.

## Science

In science, the focus will be on electricity. We will learn about electrical appliances before completing different circuits in an attempt to make a bulb light up. Using different enquiry skills, we will investigate a range of circuits and even try to create one with no wires!
