

Research foods typically eaten at Easter or spring time. Find a recipe for this food such as easter cakes and make some with an adult at home. Make sure you take some pictures and upload them to class dojo.

Research a country in the continent of North or South America. Create a fact file all about the country. Think about climate, special landmarks, population, physical features of your chosen country.

If you need a template ask your teacher for one.

As part of our work on wellbeing and relaxation you can create your own zentangle design. Research what zentangle is and then take time to create your own detailed zentangle design.

Create a newspaper article all about Grendel's attacks on the Danes. Be as descriptive as possible with regards to what happens. If you need a template for the newspaper please ask your teacher for one.

In DT we will be looking at electrical systems. Create a detailed design of a new game you could make which includes some sort of electrical system such as a buzzer or a light. You don't need to make the game just a detailed design.

Research myths and legends and pick your favourite one. Prepare either an oral presentation or a powerpoint you can share with the rest of the class. Remember to detail what the myth/legend is about, where it originates and why you like it.

Each week you will be given some arithmetic questions to complete for maths. Ask you teacher for the new sheet each week. You will also still need to practise your times tables to ensure you know the rapid recall of them up to 12x12. Please make sure you are logging on to TTRockstars at least 3 times per week to keep practising.

## Birch Class Home Learning Spring 2

In English we are exploring the text Beowulf. Create and draw your own mythical creature and then write a detailed description of the creature. Remember to use relative clauses, 'ing' openers and lots of descriptive words and phrases to describe it.

As well as the above, the following homework should be done every week:

- 1) Times tables – by the end of year 4, it is expected that all children know all their times tables up to x12.
- 2) Spellings/grammar – given out weekly. However, the list of statutory words that you should know by the end of years 3/4 and 5/6 also needs to be learnt.
- 3) Reading – this can be your home/ school reader, a library book, a magazine or comic or something else that you enjoy reading. Keep reading – it will also help you with your writing.
